

Cornerstone Kiosk

Beautification and Placemaking

Cornerstone Kiosk creates a community focal point that can serve as your branding ambassador and showcase the best of your downtown

A Cornerstone Kiosk provides an immediate positive change on your streetscape. Whether it's the initial phase of your revitalization project or the final touch, your new kiosk will be a physical manifestation of everything you're doing to bring about community betterment. When placed

on a prominent street corner your kiosk will go right to work for you. It will enable you to showcase four sides of content specifically targeted to your community. Branding your downtown, promoting restaurants and retail shops, highlighting events and doing it all in a very attractive way. Your new Cornerstone Kiosk will command attention and blend architecturally with American tradition. Perhaps it's time to let this alluring monument go to work for you.
